

# ***Car-Go!* Needs YOU!!**

**Would you like to meet some of the most interesting characters in our village and local area?**

**Could you spare an hour or two, every now and then, to drive our clients in the village and surrounding area to mainly medical appointments, or help as a Duty Officer in the comfort of your own home?**

***Car-Go!* is a community transport scheme. We are in desperate need of volunteer drivers and Duty Officers. The role of the Duty Officer is to take the call from a client seeking a Driver, then assign the job to a willing Driver. Full training and support will be provided. We would love You to join our friendly team.**

**Flexible volunteering to fit around your availability, with no regular commitment needed.**
