Haslemere Town Hall [D]	1045	1145	1245	1345	1445

From Monday 29th September 2025, for up to five weeks, a diversionary route & timetable will be in place on service 71 due to the closure of Petworth Road between Chiddingfold and Haslemere. Most weekday journeys and all Saturday journeys will terminate at Haslemere High Street and will not continue thaslemere Rail Station, Shottermill and Woolmer Hill. This is to help minimise disruption on the busiest section of the route between Guildford, Godalming and Chiddingfold.

Service 71 will run the normal route between Guildford and Chiddingfold, then will divert (non-stop) back to Witley Star and run via Wheeler Lane/Gasden Lane and Brook to Haslemere, terminating at Haslemere High Street. The reverse of this diversion will apply towards Guildford.

Schooltime journeys to/from Woolmer Hill School will still run the full route, but the morning journeys will run 10 minutes earlier than normal to allow time for the diversion.

A temporary free shuttle bus to the Woolmer Hill Estate and Critchmere Lane will run hourly during off-peak times only (see right).

On Sundays buses on services 70, 71 & 72 will run their full route but some times have changed by up to 10 minutes - please check the timetable for full details.

Thank you for your patience during the disruption to the service. Please allow extra time for your journey if you can. We are liaising closely with Surrey County Council regarding the road closure and will do our best to keep buses running to time during the diversion. Buses will revert to their normal route and timetable as soon as it is safe to do so. The latest updates can be found on the Stagecoach Bus web site or by scanning the QR code.
